

Sisag Varjabedian Armenian School Saturday School 2018-2019 Academic Year

We would like to announce our school year for the 2018-2019 Academic Year.

School Start Date: Saturday, September 8 2018

School End Date: Saturday, May 18, 2019

School Hours: 9:30 am to 1:00 pm

The school is open to all who want to learn the Armenian language, culture, music and dance. Students attending school should be from the ages of 4 and older. We teach both western and eastern Armenian with the parents choosing. Our teachers are very experienced in both dialects having taught at our school for many years.

Our mission is to educate our students in our language, culture, and history. We accomplish this in a fun and friendly environment where everyone can flourish, learn and grow. We sing, dance, and work together, teachers, parents, and students to make the time spent together enjoyable and productive.

We look forward to your children joining our school and to working together to enhance their Armenian Faith by learning our language, history and culture.
